Coldwater Church of Christ

Welcome to our Services..... January 3, 2015

We will have our annual "Congregational Meeting" on January 17th after the monthly potluck. Please mark your calendars and plan on being here that Sunday.

Please keep Marvin Kiefer in your prayers. He had eye surgery and his vision is still poor. Also, his daughter Joyce, had a heart attack and had two stents put in. She is back home and doing well.

Bob Norton will be traveling to Israel with 85 college students. Please pray for safe travels for all involved.

If you've completed your Lads to Leader goals, please mark them completed on the sheet on the bulletin board.

It was nice to have Adam, Colin, and Lindsey here this past week. They all made it back to their homes safely.

It was also good to see Zach and Erin. They will be with us for a few more weeks before returning to college.

Ben Sherfield will be teaching Sunday evenings for a while beginning next Sunday evening. Thanks Ben.

Please fill out the prayer request sheets if you have a request and give it to Loretta. They are on the back table in the auditorium. This will insure she gets accurate information for the bulletin.

Kid's Church: Pete Baker is looking for a volunteer to lead Kid's Church for 3 months, January - March. See Pete if interested.

An App for Life

Two software developers have developed an application (an "app") for iPhone and Android smartphone users that can help people in these dangerous situations. Bob Bertsch, an employee with the North Dakota State University Extension Service, and Jake Joraanstad, an NDSU computer engineering major, designed the free app called "Winter Survival Kit" to be both "a primer to help motorists prepare for winter driving and a beacon when things go badly," according to Kolpack. The app can pinpoint a motorist's location, call 911, notify friends and family, and monitor how long the gasoline in the vehicle will hold out. Stranded motorists can also tap a big red button that reads "I'm Stranded!" on the app's simple home screen to send out an emergency alert.

"It's our sincere hope that no one ever has to use it," said Bertsch. "But if one person does have to use it and it keeps them in their car or keeps them from succumbing to carbon monoxide poisoning, then it is definitely worth the time and effort that was spent on the app. Consider another "APP"lication...

Life can be as confusing – and even dangerous – as white-out conditions in a blizzard. Jeremiah said, "O LORD, I know the way of man is not in himself; It is not in man who walks to direct his own steps" (Jeremiah 10:23).

But God has provided an "APP" to give us help, guidance, and instructions for the abundant life now (John 10:10) **and eternal life to come** (Mark 10:29-30). The APP is the Bible, God's Word. The Psalmist declared, "Your word is a lamp to my feet And a light to my path" (Psalm 119:105).

This APP informs us of our lost condition in sin and how, in sin, we are doomed to destruction (Romans 3:23; 6:23; Matthew 7:13-14). However, this APP also proclaims the Good News (the Gospel) that God loves us so much that He gave His Son to die on the cross for our sins (John 3:16). Through Jesus, we can have LIFE – abundant and eternal (John 10:10; 14:6)!

Won't YOU APPLY God's APP (His Word) to your life so that you may know the Way to life eternal?
