Some of you may know Tim Dooley through his involvement with Camp Indogan. His daughter was in a car accident in Tennessee and broke several areas in her leg. It will be a long recovery. Please pray for her.

Ella reports her son-in-law had a bad episode and was in the hospital. His blood sugar was extremely high. He is home now. Please pray for him as well.

Huey's brother Boo had surgery to hopefully correct the nerve problem he's been having. It is not known at this time if it was a successful surgery. Please continue to pray for him.

Beth's niece, Sharon Davis, was diagnosed with aggressive breast cancer. Please pray for her.

Edna has multiple prayer requests: Deano and Lesley - her son and daughter that she has lost contact with for about 40 years. She would like prayers for blessings for them, for Jesus to be with them and for her to be able to see them again. Also for Jason Marti: he is staying at the mission and someone stole his clothes and bike. Please pray for him to come to know the Lord.

Edna would also like to thank everyone for the retirement present. She was given a blanket with a special embroidered message.

Tim is doing better and is sitting up and eating solid food again. He is grateful for all the cards, phone calls, visits and prayers on his behalf. Continued prayers please.

Harold has a MRSA infection but is responding to the antibiotic. Continued prayers for quick healing.

On a good note, there will be a Welcome Party for Jennifer's new nephew. It will be at her parent's home at 7207 11 Mile Rd., in Burlington on February 4<sup>th</sup> from 3-5 p.m. Everyone is invited!

A Year of Purpose

A Year of Purpose is our theme this year, and we have many things we can talk about. I am very excited about one particular avenue to reach our community for Christ.

"Homework Club" What is a Homework Club? It is a club whereby students are assisted in completing homework for school. This provides a way to establish relationships with young people and their parents. This will thereby create an environment where Christ can be shared.

Our Church building is in close proximity to three schools. School buses run by our building five days a week during the school year. Imagine school buses dropping off children at our building, imagine parents picking up their children at our building, imagine students parking their bikes out front, imagine students walking to our building, and imagine praying with students concerning their school work. Oh, just imagine!

The elders have approved this ministry and funded this ministry, so now let's implement this ministry: Fall of 2017. We have time to plan, to pray, to assess our strengths, and hammer out a strategic plan that works for us. Think how you can help.

In addition, we have determined we should adopt Drew's Place as a focal point of ministry, so we are going February 11, at 10:00 am to perform two puppets shows and spend time with the residents.

The bus will be ready in a few weeks and we have four confirmed drivers, so we will be organizing ways to use the bus.

The Lord called out to Isaiah in Isaiah 6:8 "And I heard the voice of the Lord saying, "Whom shall I send, and who will go for us?" Then I said, "Here I am! Send me."

God Bless you for the work you have done and will do.
