# Coldwater Church of Christ

Welcome to our Services.....March 30, 2014

The baptistry has been updated and painted.  
 Pete and Tammie are home safe from their trip south.  
 The April potluck will be moved to the 13<sup>th</sup> because the 3<sup>rd</sup> Sunday in April is Easter. Please plan to attend.

Keith and Wendi have moved into their new house in town. A new directory page with their new address will be made available soon.

We are in need of someone to pick up Georgette between Bible class and worship. She lives on the south side of town. If you are willing to help out with that, please see Loretta.

Loretta's brother, Bob, had surgery Thursday and is doing well. They had to remove the kidney. We'll know if it was cancer soon, but the doctor is sure he got it all so no chemo is needed. Thanks for your prayers on his behalf.

Zach Slomers' open house will be Saturday, May 24<sup>th</sup> from 1:00 to 4:00 at the Camden Hall in Camden, MI. Zach will head off to college in the fall.

We'll have another Mother's Day Breakfast on May 11<sup>th</sup>. Thanks Heidi for heading this up. Time to begin will be announced later. Please come and celebrate Moms!

Soon we will begin a video series during Sunday morning bible class entitled "Saving Souls in the 21<sup>st</sup> Century". This is an open book study and one book per family will be provided. Please join us.

It's time for our annual "Ladies' Luncheon" on April 26<sup>th</sup> beginning at 11:00. The theme this year is "Live Like a Butterfly". A flyer is on the bulletin board. Invite someone!

Remember: Camp work day on April 26<sup>th</sup> at Camp Indogan. They'll be painting and getting the camp ready.

Steve Diggs will be here April 6-7<sup>th</sup> with his "Refuel Retool" Seminar. Invite a friend.

**“Mission Impossible!”**

Are you struggling with an impossible-looking task? Don’t give up just because people tell you, "It can’t be done." Did you know that almost every great idea or invention in history started the same way? When trains were first invented, several "experts" agreed that if a train went at the frightful speed of fifteen miles an hour, the passengers would get nosebleeds.

In addition, they would suffocate when going through tunnels. Now we are going to read about a man who was faced with many challenges in his lifetime which looked impossible.

Matthew 19:23-26 “Jesus then said to his disciples, "I assure you: it will be very hard for rich people to enter the Kingdom of heaven. I repeat: it is much harder for a rich person to enter the Kingdom of God than for a camel to go through the eye of a needle." When the disciples heard this, they were completely amazed. "Who, then, can be saved?" they asked.

Jesus looked straight at them and answered, "This is impossible for human beings, but for God everything is possible." You see just because things may look impossible for us, we just like Joshua had to trust God to do what only He can do, ‘the impossible.’ But as always if you’re going to do something which looks impossible,

And that’s exactly that God does with Joshua in Joshua 1:5-6 “Joshua, no one will be able to defeat you as long as you live. I will be with you as I was with Moses. I will always be with you; I will never abandon you. Be determined and confident, for you will be the leader of these people as they occupy this land which I promised their ancestors.”
