Coldwater Church of Christ

Welcome to our services! May 12, 2013

The Mother's Day breakfast was this morning. Thanks to the Cornett's and all those who helped make this annual event a special day for our Mothers.

Hopefully you all noticed the different look around the building. Dave, Loretta, Pete, Keith, Dale and Macy worked for several hours tearing out the old vines, planting the new plants and then covering it all with mulch. The work was hard, but we hope you'll agree it looks great. We are so thankful for all these hard working men and women who helped to improve the appearance of the Lord's church building.

The Schultz Lewis commodity items this year are drinks. They'd like water, Hawaiian Punch, Crystal Light, etc. They have a new pantry and plenty of room to stock up for the year. Please bring your items in by the middle of July. Thanks.

Our Family Friends Day, will be next Sunday followed by our monthly potluck. Invite your friends and family to join us.

Our first KIA activity will be May 18th. We will be giving out coffee and donuts in the parking lot. Please come and help out that day! We hope the t-shirts will be done so we can wear them that day. We'll begin at 10:00 a.m. and go until we're out of donuts or 12:00, whichever comes first.

All the ladies are invited to a Bridal Shower for Heidi Cornett. It will be held after services on Sunday, June 30th. We need help with the food so, if you can bring something, see Loretta. Please plan on being there to share in James' and Heidi's joy.

Please consider signing up to be a nursery attendant during church services when there are babies present. There's a new sign-up sheet on the bulletin board.

You are all invited to the Wedding of James and Heidi. An invitation and sign-up sheet are on the bulletin board if you are attending. No individual invitations will be sent. The date of the wedding is July 27th beginning at 3 p.m. with the wedding and reception at Riverview Receptions in Centreville. See the invitation for details.

Very Special Life Role!

There are many roles that individuals may play throughout a lifetime that can be found to be connected with our life. Some of those roles may seem more important than others even though each may serve a very beneficial purpose. I would say that among the most special roles are those that relate to bringing life, enhancing it, and helping to sustain it. In the midst of some discussion from Paul to the church at Corinth he made the following statement.

“(11) Nevertheless, in the Lord woman is not independent of man nor man of woman; (12) for as WOMAN was MADE FROM MAN, so MAN IS now BORN OF WOMAN. And ALL THINGS ARE FROM GOD.” (1 Corinthians 11:11-12)

First of all, let us keep in mind that God is the Creator of life. It all began with Him! He is the One who brought life into existence and set it all into motion. Then, from Adam's side, God took one of his ribs (Genesis 2:21-22) and made a woman as his suitable companion. Though God made woman from man and gave her to him, it is through woman -- the MOTHERS of this world that mankind has continued to be brought forth into this realm and the life of human existence has been sustained. This was God's plan and the purpose in the design of His Creation. It is a very special God-given role MOTHERS play in this world.

Being a bringer of another life into this world is just the beginning of the many roles a MOTHER plays in the life of her children, some of which never end even after her children have grown. MOTHERS are chauffeurs and coaches, cleaners and counselors, disciplinarians and developers of character, healers and huggers, etc. MOTHERS have many awesome and glorious roles in the lives of their children that can impact not only for this life, but for an eternity .

Though today is marked on the calendar as “Mother's Day”, let us be mindful of MOTHERS every day! MOTHERS need our prayers. MOTHERS need to know they are appreciated. Also remember there are some who did not bring another life into this world who are still fulfilling a MOTHER'S role to those with whom she has become connected for one reason or another. Thank God for all the selfless MOTHERS who have and are fulfilling the purpose He gave them.
