Daniel in the Lions' Den
—Daniel 6

Daniel and the Lions

Daniel told King Darius that God had shut the mouths of the lions. Why did he say that?

To find the answer, start on the lion's forehead and travel through the maze, recording every other letter on the lines provided. When you have reached the last letter, follow the arrow to the next letter to be recorded. Record every other letter as you work your way back through the maze.

Welcome to our Services.....November 2, 2014

Welcome visitors!

Tonight is our monthly song service.

Please come join us in singing praises to God.

G, Dale and Beth's grandson, had an accident and cut his finger very badly. He had surgery to repair the tendon and is recovering. Please pray for him.

Also, Mary Owen, sister-in-law of the Owens', has been diagnosed with breast cancer. Prayers on her behalf are appreciated.

Kevin, Cindy's co-worker who was in a coma, is doing much better. Thanks for your prayers.

Wendi's grandfather has passed on. The funeral was Friday. Prayers for Wendi and the family are appreciated.

Ella will be getting the results of her kidney tests in a couple of weeks. Pray fervently.

Our speaker next week will be Scott Richards, who is a missionary in India. We have helped him some in the past and he'll be speaking on his missionary work.

Please plan to be here next week.

DON'T FORGET! Our November potluck will be moved to next week, November 9th. It will be a Thanksgiving feast in conjunction with our Friends and Family Day. Turkey and mashed potatoes are provided. Please invite a family member, friend and/or someone who might not normally get a Thanksgiving dinner. Sign-up sheets for the food and attendance are on the bulletin board. Looks like we'll have lots of goodies!

Don’t Let the Fire Go Out

There was a video on the news of a man stepping outside with a boiling pot of water, tossing the water into the air and its instantaneously changing into snow. He was near the top of Mount Washington in New Hampshire and it was thirty-five degrees below zero. My first reaction was, “Hey, that’s kind of cool.” Then I thought, “Wow, that’s really cold.” And finally, “That guy’s crazy going outside in that kind of weather.” Consider that water boils at 212 degrees Fahrenheit; water freezes at 32 degrees Fahrenheit.

That’s so cold that the water cooled down 180+ degrees in less than a second. The water froze because of a failure to maintain the fire. What can we do to maintain our spiritual fire? Even spiritually speaking, energy/effort/work is required in order to stay warm; but what is required to freeze? Just do nothing. Work, that is, the input of energy, is important to maintaining our spiritual fire.

We need to exhort one another daily and not forsake our assembling together! (Hebrews 3:13, 10:25) Togetherness is important to maintaining our spiritual fire.

The story is told of the preacher who visits the un-attending member and, without a word, while sitting in front of the fireplace, merely pulls a coal out of the fire to watch it slowly die. Yet, putting it back in, the coal warms to a soft red glow again. borrowed

Next Sunday, like all Sundays, is the day the Lord has made to encourage each other and worship Him. Next Sunday is our special Potluck with Thanksgiving meal so it will be a great time to encourage one another to keep the fire burning for the Lord. Even if you cannot stay for the potluck, let us all try to be present next week to encourage one another in the Lord. Dave
